**RE: *BIG RIVERS ELECTRIC CORPORATION FILING
OF POWER PURCHASE AND INTERCONNECTION
AGREEMENT PURSUANT TO 807 KAR 5:011 SECTION 13***

Dear Ms. Pinson:

Big Rivers Electric Corporation ("*Big Rivers*") is filing with this letter, pursuant to 807 KAR 5:011 Section 13, using the Kentucky Public Service Commission's (the "Commission") electronic Tariff Filing System, an agreement among (i) Big Rivers, (ii) Jackson Purchase Energy Corporation ("JPEC"), and (iii) the Commonwealth of Kentucky Finance and Administration Cabinet, Department for Facilities Management, Division of Engineering ("Commonwealth").

The Commonwealth is a retail customer of JPEC, who is, in turn, a member of Big Rivers. The Commonwealth intends to own and operate a small power production facility that qualifies as a Qualifying Facility under 807 KAR 5:054 Section 1(8). The parties are entering into the agreement pursuant to and as required by Big Rivers' Standard Rate – QFP – Cogeneration/Small Power Production Purchase Tariff – Over 100 kW. Under the agreement, the Commonwealth will utilize power from its facility for its own use and sell any excess energy to Big Rivers pursuant to Big Rivers' QFP tariff.

Under Section 13.6 of the agreement, the agreement is subject to the approval of the Commission.

Please feel free to contact me with any questions you may have about this filing.

Sincerely,
